Thank you for your purchase!

Orders will be shipped within 3 to 7 business days (subject to stock availability), an email invoice will be sent when the goods are shipped, you will also receive an email from Australia Post or our courier once it has been picked up. Please check your emails regularly to ensure you are available to receive your order, unless you have authorised for it to be left without signature.

The salesperson said to lodge the order online, set it to pay on pickup and the order will be in the system so when they get the new router bodies and controllers in in mid dec they just arrange payment and shipping then.
